ORDER

The United States has moved for a continuance of the trial of this case, now set on the court's December 2020 trial docket. The motion indicates defendant has not received necessary discovery and that defense counsel has scheduling conflicts. Defendant Green joins in the motion for continuance.

Based on the reasons stated in the motion, and in light of the restrictions on jury trials due to the COVID-19 pandemic, the court concludes the motion [Doc. #14] should be and is **GRANTED** and that the ends of justice served by the granting of a continuance outweigh the interests of the defendant and of the public in a speedy trial. See Gen. Ord. 20-23. The trial of this case is **CONTINUED** to the court's February 2021 trial docket. The deadline for pretrial motions and notices is extended to January 15, 2021.

IT IS SO ORDERED.

Dated this 17th day of November, 2020.

UNITED STATES DISTRICT JUDGE
